AMENDMENT 16

4.5 Qualification Process – modification

– It is an open session which will end automatically after 15 minutes.

AMENDMENT 17

10.4 Practice / Qualifying Rules – addition

Any procedures that involve unrealistic, but due to limitations of the sim, possible methods are prohibited and will be penalized. Among those are “brake dragging”, cooling tyres on the grass or intentional spins.

Drivers who receive a post-race penalty due to an offence of the aforementioned kind have the chance to submit the original replay file of the incident in order to give proof to Race Control that they didn't use any of the procedures described above.

AMENDMENT 18

Addition:

6.1 Penalties - modification

| | |
|-----|--|
| P05 | Disqualification The driver will be disqualified from the event. |
